## Auditors' Report

### Opinion

We have audited the financial statements of **Laeque Rafiq Foundation**, (*Yaqub Centre*) *Shara-e-Rashid, Vehari Road, Multan*, which comprise the statement of financial position as at June 30, 2022, and the statement of income and expenditure, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of **Laeque Rafiq Foundation**, (*Yaqub Centre*) *Shara-e-Rashid, Vehari Road, Multan* and of its financial performance and its cash flows for the year then ended in accordance with the approved accounting and reporting standards as applicable in Pakistan.

### Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the **Laeque Rafiq Foundation**, (*Yaqub Centre*) *Shara-e-Rashid, Vehari Road, Multan* in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (The code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management

The management committee is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the management committee determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management committee is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the society's financial reporting process.

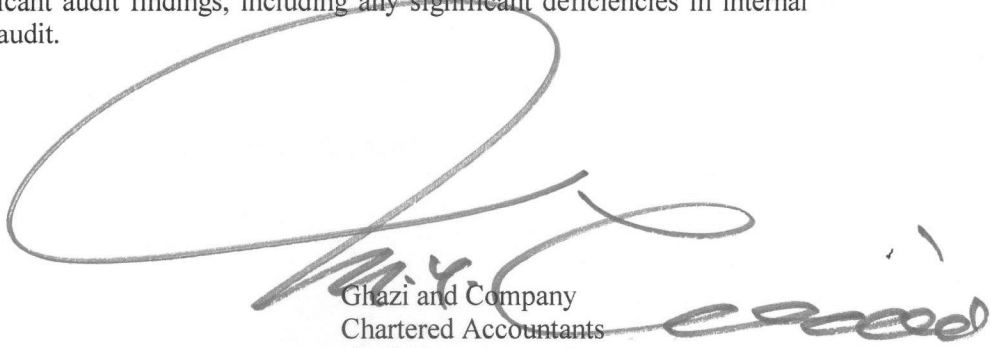

### Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Introduction to Laeeque Rafiq Foundation/Hospital**

Laeque Rafiq Foundation was established in 2009 to esteem the reminiscence of late Ch. Muhammad Laeeque Rafiq. Currently, Laeeque Rafiq Foundation is running a 100-bed charity hospital in Multan, providing free/subsidized medical treatment to the deprived and penurious people of South Punjab. Moreover, the Laeeque Rafiq Foundation is also operating mother and child satellite clinics. In these clinics, free medical care is available to the people living in the remote areas of Multan. Furthermore, the foundation has also established Laeeque Rafiq Institute of Health Sciences (LRIHS) a healthcare professional educational institute within the domain of healthcare.

The basic and principal objective of establishing this professional education institute is uplifting the socio-economic status of the people and reducing poverty in this area by providing job-oriented professional education and training to the youth of this region. The provision of professional education shall enable the youth of this area to earn their livelihood respectfully and with dignity. This in turn will result in reduced unemployment, increased disposable income per family, and a diminished crime rate in this area.
