GHAZI & CO.
CHARTERED ACCOUNTANTS

Auditors' Report

Opinion

We have audited the financial statements of **Laeeque Rafiq Foundation,** *(Yaqub Centre) Shara-e-Rashid, Vehari Road, Multan*, which comprise the statement of financial position as at June 30, 2025, and the statement of income and expenditure, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, (or give a true and fair view of) the financial position of **Laeeque Rafiq Foundation,** *(Yaqub Centre) Shara-e-Rashid, Vehari Road, Multan* and of its financial performance and its cash flows for the year then ended in accordance with the approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the **Laeeque Rafiq Foundation,** *(Yaqub Centre) Shara-e-Rashid, Vehari Road, Multan* in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (The code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management

The management committee is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the management committee determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management committee is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Laeeque Rafiq Foundation

(Yaqub Centre) Shara-e-Rashid, Vehari Road, Multan

Notes to the Financial Statements

For the year ended June 30, 2025

1. **Legal status and operations**

Laeeque Rafiq Foundation was registered on October 13, 2009 under the Societies Registration Act, XXI of 1860. The organization is a non-profit, non-governmental and non-political developmental organization, struggling to aware, organize and help marginalized people in realizing their developmental, civil and other basic human rights. The main activity of the Foundation is to provide the maximum medical relief to the poor and needy people. The operation has been started from 03-07-2012. The registered office of the organization is situated at (Yaqub Centre) Shara-e-Rashid, Vehari Road, Multan.

2. **Statement of compliance**

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- Revised Accounting and Financial Reporting Standards for Small Sized Entities (AFRS for SSE) issued by the Institute of Chartered Accountants of Pakistan (ICAP); and
- Accounting Standards for Not for Profit Organizations (Accounting Standard for NPOs) issued by the Institute of Chartered Accountants of Pakistan (ICAP).

3. **Significant accounting policies**

3.1 Basis of preparation

These financial statements have been prepared under the historical cost convention, except as otherwise stated in the respective policies and notes given hereunder.

3.2 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any identified impairment loss. Cost of operating fixed assets consists of historical cost and attributable expenses in bringing the assets to their working condition. Depreciation on all assets is taken to statement of income and expenditure by applying reducing balance method at the rates specified in the note 4.1. Depreciation is charged for the full year in which an asset is purchased while no depreciation is charged in the year of disposal.

Gain or loss on the disposal of operating fixed assets represented by the difference between the proceeds and the carrying amounts of the assets is recognized as income or expense during the year. Normal repairs and maintenance are taken to statement of income and expenditure as and when incurred. Major improvements and modifications are capitalized and the assets replaced, if any, other than those kept as stand-by, are retired.

3.3 Revenue recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the amount of the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable on the following basis:

- All donations, fee grants and other income are recognized when realized.
- Interest/mark-up is accounted for on accrual basis.

3.4 Accrued and other liabilities

All liabilities are initially measured at cost, which is the fair value of the consideration given. A liability is derecognized when the obligation under the liability is discharged or cancelled or expired.

3.5 Taxation

The organization is entitled to avail 100% tax credit under Clause (a) of Sub-Section 2 of Section 100C of the Income Tax Ordinance, 2001 as inserted by Finance Act 2014.

3.6 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents include cash-in-hand, cheques-in-hand and deposits with banks.

Annual Performance Report of Laeeque Rafiq Foundation

For the year ending 30th June25

Patron-in-Chief's Message

In the name of Allah, the Most Beneficent, the Most Merciful, Praise be to the Lord of all worlds, and peace and blessings be upon our beloved Prophet, Hazrat Muhammad (SAW).

It is my honor and privilege to serve as the Patron-in-Chief of the Laeeque Rafiq Foundation (LRF). Laeeque Rafiq Hospital (LRH) remains committed not only to providing medical care but also to restoring hope, strengthening lives, and empowering individuals to overcome challenges through compassionate support and counseling. I extend my heartfelt appreciation to the entire team of the Laeeque Rafiq Foundation and Laeeque Rafiq Hospital for their unwavering dedication and service to humanity. Our mission has always been, and continues to be, rooted in serving others with sincerity and integrity.

The economic situation across the country has undoubtedly been difficult. Despite these challenges, I am pleased to share that the Laeeque Rafiq Foundation continues to uphold its core values, embracing a *"People First"* approach that prioritizes the well-being and healthcare needs of our communities.

The introduction of the Health Card has further strengthened Laeeque Rafiq Hospital's reputation by enabling us to serve patients more effectively. Its successful implementation has proven immensely beneficial for individuals from both nearby and remote areas, ensuring that quality healthcare is accessible to all.

Moreover, our ongoing projects are poised to create significant and positive impact within the community. I encourage everyone to visit the Laeeque Rafiq Foundation and Laeeque Rafiq Hospital at their convenience to witness firsthand the progress and services we are collectively striving to deliver. I also wish to express my deep gratitude to all our supporters whose continuous contributions help us advance this noble cause.

In closing, I extend my sincere thanks to the Board Members and our dedicated team for their steadfast commitment to achieving our shared vision. Our communities have endured substantial challenges, yet their resilience and determination remain extraordinary. It is a privilege to lead such an exceptional team.

MAY ALLAH BLESS YOU ALL!

Ch. Muhammad Rafiq

Patron-in-Chief

Laeeque Rafiq Foundation

Preamble

In Pakistan, ensuring adequate food and nutritional support for the population has become an increasing concern in recent decades. This challenge is particularly acute for illiterate individuals, underprivileged communities, minors, and pregnant women along with their newborns. Although many expectant mothers recognize the general importance of healthy eating during pregnancy, a significant number lack awareness of specific dietary requirements or the skills needed to adopt healthier nutritional practices.

Since its establishment in 2012, the Laeeque Rafiq Foundation has been providing free delivery services, covering all expenses except for medications. Individuals who are financially able are encouraged to contribute to the cost of services. Despite a population of nearly one million in Lar and its surrounding areas, only a small proportion currently seeks maternity care at LRF/LRH (refer to the attached details). This is particularly concerning given that pregnancy is a sensitive and critical period during which maternal nutrition and lifestyle choices play a pivotal role in the long-term health of both mother and child.

During pregnancy, the demand for a balanced and nutrient-rich diet—especially micronutrients—increases significantly. When these nutritional needs are not met, it can lead to serious short- and long-term consequences for both the mother and the newborn. Research indicates that inadequate nutritional practices can elevate the risk of complications such as low birth weight, preeclampsia, preterm birth, and neurodevelopmental issues.

There is an urgent need for supportive and equitable interventions within antenatal healthcare settings, particularly for vulnerable women. To address this critical gap, the Laeeque Rafiq Foundation intends to introduce a food assistance program for pregnant women and their newborns in this underserved region. The objective of this initiative is to ensure the essential nutritional support required for the optimal health and well-being of both mothers and their children during pregnancy and beyond.

Background/History of Multan

The city of Multan, along with its underdeveloped suburbs and remote surrounding areas, faces a severe lack of adequate healthcare facilities. This situation is largely the result of insufficient investment in health, education, and human resources over the years.

The healthcare services available in hospitals accessible to the general public remain far from satisfactory. As a consequence, many common and otherwise manageable health issues often progress into chronic conditions due to inadequate infrastructure and a shortage of qualified medical personnel.

The distress experienced by families when a loved one suffers from illness is deeply felt across communities, but it is especially profound among those belonging to economically disadvantaged segments of society.

Introduction to Laeeque Rafiq Foundation/Hospital

Laeeque Rafiq Foundation was established in 2009 to honor the memory of the late Ch. Muhammad Laeeque Rafiq. Today, the Foundation operates a 200-bed charitable hospital in Multan, providing free or subsidized medical treatment to underserved and economically disadvantaged communities across South Punjab. In addition, the Foundation manages Mother and Child Satellite Clinics, offering free healthcare services to residents of remote areas surrounding Multan.

The Foundation has also established the Laeeque Rafiq Institute of Health Sciences (LRIHS), a professional healthcare education institution dedicated to developing skilled healthcare personnel. The primary objective of this institute is to enhance the socio-economic conditions of the region by providing job-oriented education and vocational training to its youth. By equipping young individuals with the qualifications needed to secure meaningful employment, the institute contributes to reducing unemployment, increasing household income, and lowering crime rates within the community.

Since its inception, the Laeeque Rafiq Foundation has provided medical care to more than two million patients through its hospital services, Mother and Child Clinics, and various free medical camps. Additionally, over 80% of graduates from the Laeeque Rafiq Institute of Health Sciences have successfully secured employment in both public and private sector organizations, reflecting the institute's commitment to quality education and career development.

Our Mission

We are providing;

1. State of the art, yet affordable, healthcare services to the patients.

2. Free of cost healthcare services to Mother and Child.

3. Practicable and future of oriented paramedical and nursing education to the youth of our targeted population.

4. We relentlessly indulge in conducting research specifically aimed at improving our services and exploring the relevant needs of the focused population.

Our Vision

Laeeque Rafiq Foundation strives to bring forth socioeconomic uplift amidst our targeted population, by providing topnotch healthcare services Paramedical & Nursing education and research for continuous improvement and growth.

Performance Report

The Annual Performance Report for Laeeque Rafiq Hospital, covering the period from July 1, 2024, to June 30, 2025, presents key performance statistics compiled from various departments of the Laeeque Rafiq Foundation and Hospital. These indicators reflect the organization's commitment to fulfilling its mission and upholding the vision set forth by its founding members.

Laeeque Rafiq Hospital provides a comprehensive range of healthcare services, including the Emergency Department, Outpatient Department, Inpatient Department, Intensive Care Units, Pediatric NICU, Labor Rooms, Pathology Laboratory, Non-Invasive Diagnostic Services, and Pharmacy. In addition, the Mother and Child Satellite Clinics offer specialized treatment and diagnostic facilities dedicated to the health and well-being of women and children.

The Laeeque Rafiq Institute of Health Sciences further strengthens the Foundation's mission by offering diverse, job-oriented academic programs in the healthcare sector. These include:

Four-Year Bachelor Programs:

- BS Medical Lab Technology
- BS Operation Theater Technology
- BS Radiography & Imaging Technology
- BS Human Nutrition & Dietetics
- BS Microbiology
- BS Biochemistry
- BBA Business Administration
- Doctor of Physical Therapy (DPT) – Five-Year Program

Two-Year Diploma Programs:

- Pathology Lab Technician
- Operation Theater Technician
- X-ray Technician
- Physiotherapy Technician
- Pharmacy Technician (Category B)
- Dispenser
- Community Midwifery (CMW)
- Certified Nursing Assistant (CNA)
- Lady Health Visitor (LHV)

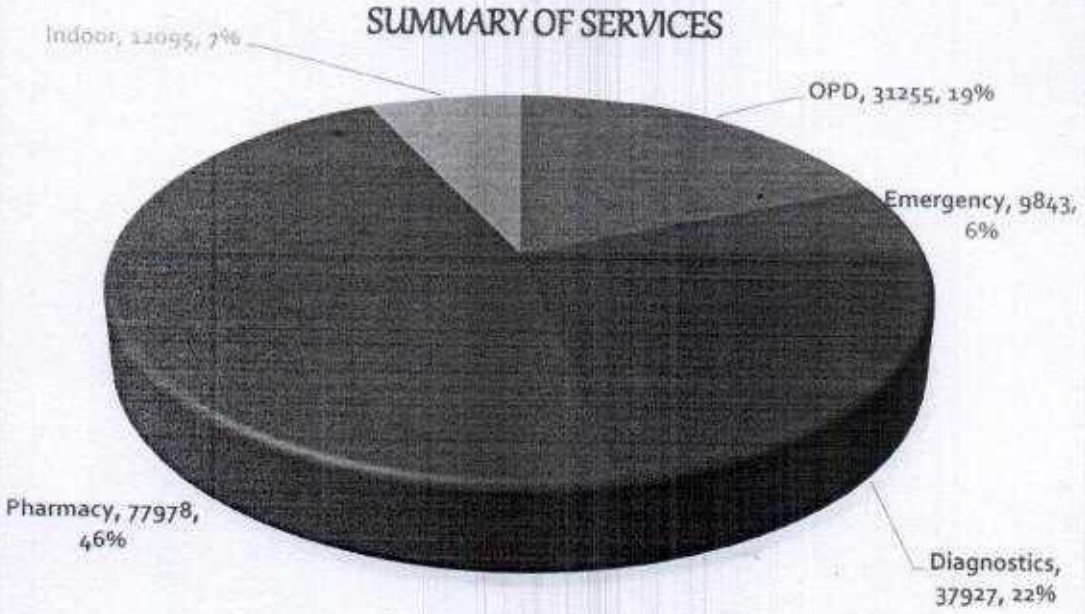

The hospital affiliated with the institute undergoes routine inspections by regulatory bodies, including the Punjab Healthcare Commission, Punjab Pharmacy Council, and Pakistan Nursing Council. These visits consistently yield positive evaluations, reflecting strong compliance, high standards of care, and overall satisfaction with the hospital's performance.

Laeeque Rafiq Institute of Health Sciences (LRIHS)

Mission:

Mission of Laeeque Rafiq Institute of Health Sciences is to conduct undergraduate and graduate programs for students pursuing careers in the health sciences. Laeeque Rafiq Institute of Health Sciences is dedicated to attracting, developing and sustaining a highly qualified and specializied faculty. By promoting excellendce through teaching, research, and service, the institute create an academic atmosphere that encourages critical analysis, creative thinking, and commitment to lifelng learning. Graduates will be prepared to assume leadership roles and provide health services to te underserved and global communities.

Vision:

Laeeque Rafiq Institute of Health Sciences strives to become a highly recognized, state of the art, self-sufficient professional institute comprised of exceptional faculty, staff, students and alumni who are recognized nationally and internationally for their leadership excellence in healthcare.

Aims & Objectives

- To uplift his deprived socia economically by transforming them into a skilled health professional.
- To eradicate extreme hunger & poverty in the targeted area.
- To improve maternal health.
- To imporove gender equality and empower women.
- To provide clinical and other skills services to contribute positively to improving the health status and overall quality of life.
- To prepare students to function as members of a healthcare team.
- To create and develop a world class enviornment for aspiring students to acquire knowledge.
- To educate and guide student community regarding allied health courses and its importance.
- To prepare Allied Health professional personnel to conduct research on providing Healthcare services.
- To excel in the Allied Health Sciences field.
- To provide the skills required to function as an Allied Health professional.

Our Faculty Members

Prof. Dr. Muhammad Zabta (Dean)

Muhammad Mumtaz Khan (Principal)

Muhammad Gulsher (Vice Principal)

The faculty views Health Science courses as a profession which makes a definite contribution to Primary Health Care. The scope of paramedical courses includes the prevention of disease, the promotion of health consciousness among individuals, families and community and the care for the sick, injured and infirm in the Hospitals and Community. The concept of comprehensive Health Sciences includes care during illness, care. Health Sciences / Nursing are a dynamic therapeutic and the educative process of meeting the health needs of the society. Effective professional education requires an appropriate connection between the art and science of professional practice.

The faculty perceives education and learning as a process of behavioral change which may be brought about in a climate of mutual trust and understanding. Education for living and for the practice of Health Sciences is based on an understanding of man derived from knowledge of the humanities psychological, social, and biological and physical sciences of human beings. Health as an applied science develops its theory through the analysis and synthesis of observation derived from the care of people in a variety of settings. There should be a constant enlargement of theory directed towards the improvement of Health Sciences practice through scholarly inquiry and research. The faculty accepts its responsibility to make provision in this program for the continued development of the student as an individual citizen and as a professional Institute of Health Sciences.
